Even if you are not going out, you can still support your restaurant by ordering in "Don't forget to tip.Å" We want to hear all of you. Linen tablecloths, silverware, crockery, wine glasses, flowers do not omit anything. After all this preparation and work, you might feel like you have to take a second or third serving of any chocolate dessert there for dinner. Read a book in the bathtub, drink wine in the candles. I realize that not everyone has aged spiritually at least 20 years during the pandemic, as I did, and also that some restoration of normalcy it would be nice as soon as possible. Take a look at our winter mocktail recipes for some inspiration.To forget you You need a partner to celebrate love. In the mood for a very romantic Valentine's Day appointment at home? Even if it's just pizza, set the table and put the food on the plate. Think about the easy activities that can make the day feel special. Photo courtesy: Vuk Saric/Stock You know that when it comes to the very topical debate of cozy night in or fearless night out, I'm always one to stay at home these days. Is taking a bubble bath too cliché? Does your home or neighborhood have a good vantage point to watch the sunset? Take your place, too. Maybe this is the night for the big three-hour cooking experiment. There is nothing like dressing up or taking fashion risks and not being judge for them because you are. Å. in.
